

#### ABOUT IFA INDUSTRIES

We are the business unit which belongs to the IFA – International Flight Academy group, with ANAC Part 147 certification for training aircraft mechanics.

IFA has been on the market for over 26 years and is the academy with the most complete range of training for professionals in the aviation industry in Portugal, which also includes courses for pilots and cabin crew.

We have highly qualified professionals, ultra-modern technology and equipment to ensure that students receive quality and excellent training throughout their entire learning journey.

Our commitment is to ensure that your first step towards realizing a dream is also a driving force towards great achievements.
