Dear J,

We're excited to announce the launch of our **Flight Instructor Course Sponsored Program**, offering you the opportunity to **train at no cost** and secure a **guaranteed job at Sevenair Academy** upon completion—**bonded for two years**.

Key advantages of our program:

- ✓ **Fully sponsored training** – Sevenair Academy will sponsor FI training
- ✓ **Guaranteed employment** with a permanent full-time contract at Sevenair Academy
- ✓ **Attractive remuneration package**, starting with the same conditions as a restricted VFR FI
- ✓ **Build valuable flight hours** and advance your career
- ✓ **Limited spots available** – act fast!

Don't miss this opportunity to gain experience, develop your skills, and secure your future with **financial peace of mind**.

Requirements to start the course are:

- Have completed 20H VFR cross-country in class as PIC;
- Must hold a CPL(A) license; or
- Hold a PPL License but have completed the CPL theory and have completed at least 200H flight totals aircraft, of which 150H as PIC;
- Have completed at least 30H SEP of which at least 5H in the last 6 months before admission flight;
- Have completed during the course a cross-country with 300nm in which should have made the final two landings at two different aerodromes.
- Hold a Class 1 Medical Certificate;
- Pass a psychometric assessment;
- Proficiency-check flight with a Senior Flight Instructor.

* Minimum requirements based on [FCL.915.FI](#) and [FCL.930.FI](#) (a).

Flight Instructor - Sponsored Program

Starting date: 02nd of April, 2025

Seats available: 08

Application deadline: 12/03/2025

➤ **Placement fee:** 2.000€ to secure the seat and book the selection process

Selection process includes:

- FI Assessment and psychologist interview;
- AOC Flight;
- Training Board interview.

After selection: Selected candidates for the Sponsored Program will start the FI Theory training which includes 131H30 and **after completion will be evaluated by Sevenair Academy Training Board and:**

- **Not approved candidates:** Will be eliminated from the program and no extra cost will be charged;
- **Approved candidates:** Will start the flight training phase of Flight Instructor Program (31H30 of training + skill test) and after completion will be assessed by the training board, who will give recommendations for permanent full-time contract with a 2 year bond.

Bond definition:

- **Duration (what happens first):** 2 years or 1.500H of flight instruction
- **Value:** 15.000€
- **Start:** As soon as the training is completed and permanent full-time contract is signed

Additional considerations:

- If the candidate withdraws from the program, the candidate will be required to pay amount corresponding to the training received;
- If, during the bond period, the company decides to terminate the instructor's employment contract due to performance-related or other legitimate grounds—such as lack of performance, misconduct or other cause-based terminations—the instructor must reimburse the remaining period of the contracted bond.

Standard Flight Instructor Course

For those who prefer not to commit to the two-year bond, our **standard Flight Instructor Course** remains available under the following conditions:
